

## **CVR Calc**

### **Your Information and the App.**

CVR Calc is intended for clinical assessment purposes only and is not intended to be a substitute for sound clinical judgement or decision-making relative to any diagnostic and/or treatment options, or in determining potential risk of a specific medical condition. The app does not collect any user-identifiable information.

### **Deleting your Data.**

When you delete data from this app, it is promptly deleted from your device.

### **Information Usage**

If you have opted-in to sharing app analytics with developers on your device, anonymized diagnostic information and analytics collected by your device may be used to help make the app more reliable. This does not contain personal or identifiable information.

If you report an issue over email, etc., we may reach out and ask for additional details to try and troubleshoot. Any information you supply during these conversations will only be used to help address technical issues and will not be shared.

### **Third-party Links and Content**

CVR Calc does not link to third-party content, nor does it share information with third parties.

### **California Online Privacy Protection Act Compliance**

CVR Calc is intended to be used by those over the age of 18. It is not designed, nor incentivized to be used by minors.

### **Your Consent**

By using the CVR Calc app, you consent to the terms of this privacy policy.
